

The Armani/Roca Island collection is characterized by its keen attention to detail, a feature that enhances the overall harmony of your bathroom space. This soap dish adds a luxurious touch to the beauty area, while providing the elegant practicality required. It can be used on its own or placed alongside the other items in the countertop accessory range: a toothbrush holder (Ref. A8166220..), soap dispenser (Ref. A8166230..) and tissue box holder (Ref. A8166240..) that are all designed to complement each other perfectly to build an exquisite sense of order and balance. However, even when standing alone, the solid design and carefully selected materials, texture and finish of this soap dish create a sophisticated statement piece on your bathroom vanity. The Armani/Roca soap dish is available in four iconic Armani/Roca finishes: shiny Chrome creates a fresh, modern look; warm Greige lends a discreet, sophisticated air; the Nero finish adds a bold, contemporary feel; and Brushed Steel brings a unique, industrial finish to the bathroom space.
