

The bold, sleek lines and stunning finishes of this wall-mounted cascade spout allows you to enjoy the natural, bracing effect of a waterfall every day. It blends in seamlessly with the rest of the bathroom suite and is the perfect complement to the thermostatic brassware in the collection. The Armani/Roca water outlets are fitted with the Easy-Clean anti-lime scale system to ensure optimal performance and ease of maintenance.

This shower head is available in four finishes: shiny Chrome creates a fresh, modern look; warm Greige lends a discreet, sophisticated air; the Nero finish adds a bold, contemporary feel; and Brushed Steel brings a unique, industrial finish to the bathroom space.
